SUBPOENA FOR INFORMATION

RECIPIENT: Los Santos Police Department

DOCUMENT REFERENCE NUMBER: LSPD-01082025-001-SR

CASE NUMBER: LSPD-01082025-001-SR

DATE: 1st August 2025

It has come to the attention of the Supreme Court, a document that states:

"I, as the signatory, hereby swear and affirm that the contents of this document are true to the best of my knowledge, as well as accurate to the best of my abilities and that the consequences for false statements are severe, entailing but not limiting to monetary fines and imprisonment.

My client, Soham Raut, has reported major violations of state legislation and LSPD policies, and we are formally requesting relevant information and documentation concerning the incident in question which occurred on the 30th of August.

According to Mr. Raut, while employed by LSPD, approached fellow officer Marr Hollow regarding visible tattoos that appeared to be in direct violation of the organization's policies and state legislation. Mr. Raut states that he respectfully asked Mr. Hollow to remove the tattoos. In response, Mr. Hollow allegedly dismissed the concern, stating that Mr. Raut had no authority over him and that it was "none of his business."

Mr. Raut further claims that he acted in accordance with professional obligations by reporting the matter to LSPD

Internal Affairs and the District Attorney's Office, and that he documented the incident in his employee logs.

Following this, Mr. Raut alleges that Mr. Hollow retaliated by immediately terminating my client's employment for "High Command Disrespect." He also reports that a heated exchange occurred, reportedly recorded in his logs, during which Mr. Hollow referred to my client as "toxic" in response to LSPD officials who were questioning Mr. Hollow's actions and proceeded to accuse my client of violating P.C. 4.2 - Professional Misconduct, stating that my client should have been arrested for Professional Misconduct. Mr. Hollow allegedly justified his refusal to comply by continuously mentioning his higher rank.

Due to the apparent abuse of authority, misconduct, and potential violations of the state legislation and basic professional standards, we are requesting the following information to be subpoenaed from the Los Santos Police Department in order to carry out an investigation into the incident and pursue further legal action, if deemed necessary. "
